The final action conducted at the SRC meeting of May 4, 2007 was the accepting of nominations for the upcoming election meeting to be held during the Fall SRC meeting. The Fall SRC business meeting will be conducted during the SRC Conference weekend sponsored by Louisiana II October 11th through 14th, 2007 in Metairie Louisiana.
The following nominations were verified and accepted by those in attendance.
For Chairman, Alex Ramirez from FL IV; for Vice Chairman, Roy Nations from Mississippi II, for International representative, Don Quintus from FL XI, for Treasurer,

Bill Solen from FL IV; and for Secretary, Peter Domiziano from FL XVII.
As you can see, all positions are uncontested with that of International Rep and Treasurer being incumbents All candidates promise a hardy healthy battle for their positions and we are assured that all are highly qualified and motivated for their respective offices. Members are reminded to be at the Fall 2007 SRC meeting to vote for the candidate of their choice. Remember that overall, the International elections were conducted with less than a 30% participation rate of membership and the SRC partici-

pated less than 20%! Complacency is running rampant. If you don't show up, voice your opinion and vote then you can't complain.

Registration Package and agenda sheet is available for download from the Fall 2007 Conference Events pages of www.bk-src.org in pdf format. You can also contact the president of

An SRC Newsletter?

I am testing avenues of communications between the SRC membership. Though not elected, I am hoping that running un-opposed I have a good chance of winning this election. If I don't win at least I will have started the ground work for a return of

a Conference Newsletter. I haven't seen one from the SRC in many, many years!
If this works or at least stimulates the members to more and greater avenues of communications all is not lost. If you agree and

have the ability to include me in your mailing either by snail or electronically please do so.
I prefer e-mail copy but will accept anything. I will publish whatever I can
