SRC BUSINESS

I mentioned in the last newsletter about the problems with the previous administrations NOT fulfilling the requirements of the Corporate filings. This has caused the SRC incorporation as it was established in the 1980's to become an inactive and assumed defunct corporation. There are several methods to correct that status but none of them are easy or inexpensive. Alternatives were knocked around by the new

Board . However, I have NOTHING positive to report back yet. When information becomes available I will share it with you. As previously mentioned, this situation has caused the SRC to continue operating under the Blue Knights, Inc. International Bylaws and not under the SRC bylaws.—

I wanted to repeat and emphasis that I will be relinquishing my duties as webmaster, stepping down in one year (by next Christmas) due to other commitments and NEED someone to volunteer to take it over. Training is available if necessary. The clock is ticking. Don't let this die, step up to the plate! - sec

SRC EXECUTIVES

CHAIR: Alex Ramirez—

Alex has commenced working on the problem of Incorporation and chapter renewal/membership. He has told the Executive Board that we will be working full speed on these and other items as soon as the Holidays past and we enter the new year. He himself is traveling extensively right now. Till then he wanted to wish all SRC members "have a safe peaceful and Merry Christmas".

Vice Chair: Ray Nations—

The new Board has been trying to reach Ray but has met with some resistance! We have been told by reliable sources that Ray checks his e-mails about as often as, well you can insert whatever you want here, so needless to say we will be getting ourselves up to speed with Ray ASAP.

Int. Rep. Don Quintus—

UPCOMING SRC Spring '08 NEWS

The Spring 2008 SRC Convention and meeting is rapidly approaching. To think its been three months since the Fall 2007 New Orleans SRC Convention and its only a little over four more months before the next event! Hotel Rooms are still available but remember if you don't book them early enough you will NOT get the negotiated rates!

FL XVII is working hard on this event to make it a most memorable standout event. They are trying to think of everything! Your cooperation by booking early and getting your registration packages in as early as possible will help. Please cooperate with their efforts.

Check www.bk-fl17.org and www.bk-src.org for registration packet downloads.

In addition, there have been some complaints received about "outlaw" m/c clubs attacking brother law enforcement clubs as well as some intra-chapter personality disorders which are in need of attention. Both Alex and Don appear to be on top of these and are going to get the full Board involved ASAP to work on resolutions.

Treasurer: Bill Solen—

Bill is already involved in some of the carry over problems and is amazed at the difference being made by the newly elected Board.

Secretary: Peter Domiziano —

I BS enough in the rest of this newsletter so read everything else for my thoughts!

Blue Knights Make Christmas Morning Bright for Those Who Had to Work

The duties of law enforcement officers and 911 dispatchers is a 24/7 job, which makes it impossible for everyone to be off on Christmas Day. Well, GCSO Deputy Bruce Emily and members of the local chapter of the Blue Knights Motorcycle Club SC VII, decided to share a little Christmas cheer to those who had to work, while others spent time with their families. The Blue Knights generously prepared and delivered breakfast to the Law Enforcement officers and dispatchers that had to work Christmas morning. Several members prepared food and they took off out across Greenwood and Abbeville Counties to deliver the morning meal.
